

Recent reports by Mr Newhouse (Labor Party Candidate for Wentworth) have suggested this leaflet is the work of Brethren members.

We confirm absolutely, **IT IS NOT.**

No Brethren member has had any input into this leaflet and Mr Newhouse, the Australian Labor Party and media outlets such as Sydney Morning Herald and ABC's 4 Corners program have had this fact confirmed with them.

KEEP AUSTRALIA CHRISTIAN
Don't Vote Labour/Green Coalition

ONLY THE HOWARD GOVERNMENT CAN ENSURE THAT AUSTRALIA STAYS A CHRISTIAN COUNTRY WITH STRONG CHRISTIAN VALUES! KEVIN RUDD AND HIS TEAM IN WENTWORTH (GEORGE NEWHOUSE) WANT TO DO AWAY WITH CHRISTIAN VALUES AND SUB-ORDINATE AUSTRALIA TO THE UNITED NATIONS. DON'T LET YOUR JUDGEMENT BE CLOUDED BY THE MOTHERHOOD STATEMENTS, LOOK AT THEIR RECORD:

Abortion: ALP want to decriminalize the slaughter of thousands of innocent babies every year! <i>Source: ALP Policy Platform Chapter 13.21</i>	Sex Change Operations: the Greens have a policy of Medicare-Funded sex change operations! Your money being used to destruct families. <i>Source: Greens Policy www.greens.org.au</i>
Gay Marriage: The ALP/Green Coalition support the destruction of the Family Unit through support for same sex marriage. George Newhouse is even supporting Gay adoption. <i>Source: SMH, August 13</i>	Abandoning Christian Australia: the Labour/Green Coalition support the abandonment of Christian Australia turning a blind eye to illegal drugs, prostitution, pornography and immigration from non-Christian countries. Only a Howard Government will protect this way of life.

DON'T LET THE LABOUR/GREENS COALITION DESTROY ALL THAT IS RIGHT WITH AUSTRALIA! DON'T RISK IT!

This has been supported by a group of concerned Australian Christians. We are not a political party, we don't even vote, but we feel it is important you know ALL the facts about the upcoming election!
